

Case to Counter

Assembly Instructions

STEP 1

Start with the case flat on the ground.

STEP 2

Open lid and remove contents from inside.

STEP 3

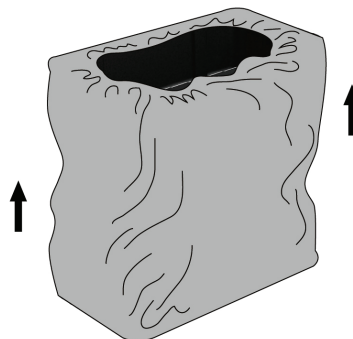

Attach the rods to the bottom of the case and the top of the lid.

STEP 4

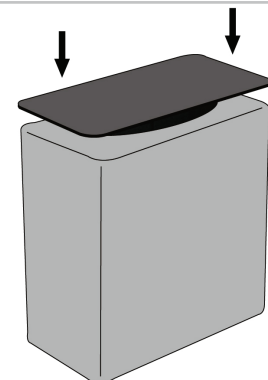

Attach the support beams to legs.

STEP 5

Cover the hardware with your graphic, pulling from bottom to top.

STEP 6

Place the counter top on the hardware and cover to hold them in place.
