

PORTABLE MISTING SYSTEM

SKU# CAN-MISTING-SYS

With the Portable Misting System, you can escape the heat no matter where you are. With a continuous cloud of cooling mist, you can cool the air around you by up to 30°F (16.7°C). Set up the portable system in minutes, and enjoy your favorite activities in cool and comfortable conditions.

The new and improved system with higher PSI and an updated pump comes with a rechargeable battery, an 8-speed wireless remote for adjusting misting settings, and an on/off button. It also offers 4 speeds on the pump in case you lose the wireless remote.
